WELCOME MESSAGE

Dear friends, dear colleagues

The 7th EMEL Conference is planned to take place on the 20-21 January 2022 in Dubai. This event is yet another step towards consolidating the expertise and scientific achievements in the field of endometriosis and benign uterine disorders. In the current conditions of the Covid-19 epidemic, and while the world still fights to face this dangerous viral disease, it becomes more and more essential to find common ground between medical and scientific societies to present and debate data and facts. Endometriosis and chronic pelvic pain are no different for the significance of this pathology, and the impact it still makes on the lives of millions of women worldwide.

The focus for the 7th EMEL Conference will be on Adenomyosis and pelvic pain. The differential diagnosis and basics of management of adenomyosis and pelvic pain is an evolving dilemma among gynecologists. During the hybrid event of the 7th EMEL conference, international and local experts on endometriosis will try to shed more light on these, and other issues of endometriosis and benign uterine disorders.

On behalf of the EMEL scientific committee, I welcome you to take part in the 7th EMEL conference in Dubai, both with the satellite workshops and the scientific program, taking place between the 20-21 January 2022.

SINCERELY,
GHASSAN LOTFI, M.D.
EMEL PRESIDENT

WEDNESDAY
JANUARY 19, 2022

virtual

WORKSHOP 1

🕒 14:00 - 16:00

LIVE SURGERY FOR ENDOMETRIOSIS

 Prof. Taner Usta

WORKSHOP 2

virtual

🕒 17:00-18:00

LIVE SURGERY- LAPAROSCOPIC MYOMECTOMY WITH UTERINE ARTERY LIGATION

 Prof. Popov and group

Dr. Alexey Koval

Moderators

Dr. Anton fedorov

FIRST DAY

OF CONFERENCE

DUSIT THANI DUBAI HOTEL

THURSDAY
JANUARY 20, 2022

08:30 - 09:00

Registration and welcoming note

SESSION 1

Patient in focus

MODERATORS

Dr. Shamsa Al Awar

Prof. Hesham Arab

🕒 **09:00-09:15**

🗣️ Patient testimonial

👤 Mrs. Faiza choudhry - Mrs. Ishrat Fatima khan

🕒 **09:15-09:35** 👤 Prof. Hesham Arab

🗣️ On patient support groups

🕒 **09:35-09:55** 👤 Dr. Ghassan Lotfi

🗣️ Adenomyosis- how to inform my patient!

🕒 **09:55-10:15** 👤 Dr. Shamsa Al Awar

🗣️ Tabus of endometriosis in the MENA and the world

🕒 **10:15-10:30**

🗣️ Opening ceremony

SESSION 2

Adenomyosis

MODERATORS

Prof. Engin Oral

Dr. Wael Sammur

🕒 **10:30-11:00** 👤 Prof. Moamar Al Jefout

🗣️ Key note lecture-Adenomyosis pathophysiology

🕒 **11:00-11:20** 👤 Dr. Marlin Moubarak

🗣️ Adenomyosis and endometriosis- association and insight into fertility impact and management

🕒 **11:20-11:40** 👤 Prof. Engin Oral

🗣️ Adenomyosis and cancer

🕒 **11:40-12:00** 👤 Dr. Mira Mousa

🗣️ Epidemiology of Adenomyosis

🕒 **12:00-13:00**

Lunch break

SESSION 3

Adenomyosis and Infertility

MODERATORS

Dr. Marlin Moubarak

Prof. Pietro Santulli

🕒 **13:00-13:30**

Prof. Juan Velasco

🗨️ Key note lecture - Impact of Adenomyosis on ART outcome

🕒 **13:30-13:50**

Dr. Dimitrios Kafetzis

🗨️ Adenomyosis and infertility

🕒 **13:50-14:20**

Prof. Vitaly Tskhai

🗨️ Key note lecture- "Outcomes of operative treatment in patients with diffuse adenomyosis and infertility

🕒 **14:20-14:50**

Prof. Pietro Santulli

🗨️ Key note lecture - Management of adenomyosis related infertility

🕒 **14:50-15:00**

Q&A Coffee break

SESSION 4

Management of Adenomyosis

MODERATORS

Dr. Alphy Puthiyidom

Dr. Kinda Al Ani

🕒 **15:00-15:30** 👤 Prof. Nicolas Rukhliada

🗣️ Key note lecture - Surgical techniques in Adenomyosis surgery

🕒 **15:30-15:50** 👤 Dr. Silvia Vannuccini

🗣️ Medical management of Adenomyosis

🕒 **15:50-16:20** 👤 Prof. Taner Usta

🗣️ Key note lecture- "Surgical pain management in patients with adenomyosis and deep endometriosis

🕒 **16:20-16:40** 👤 Dr. Amal Al Mulla

🗣️ Anti-oxidants in the pathogenesis of endometriosis

🕒 **16:40-16:50**

☕ Coffee break

SESSION 5

Adenomyosis and Fibroids

MODERATORS

Prof. Natalia Artymuk

Prof. Moamar Al Jefout

🕒 **16:50-17:20** 🧑‍🎓 Prof. Alexander Popov

🗣️ Key note lecture- "Updates on techniques in Surgical management of Fibroids"

🕒 **17:20-17:40** 🧑‍🎓 Dr. Alphy Puthiyidom

🗣️ Indications for fibroid surgery in patients with infertility

🕒 **17:40-18:00** 🧑‍🎓 Prof. Natalia Artymuk

🗣️ Medical management of fibroids- any future!?

🕒 **18:00-18:30**

🗣️ Q&A open session.
Wrap up of first day

SECOND DAY OF CONFERENCE

DUSIT THANI DUBAI HOTEL

FRIDAY
JANUARY 21, 2022

SESSION 6

Imaging of Adenomyosis and deep endometriosis

MODERATORS

Dr. Ghassan Lotfi

Dr. Silvia Vannuccini

🕒 **09:00-09:30** 👤 Dr. Samar Maadawy

🗣️ Key note lecture "Dubai Data on preoperative ultrasound mapping in surgical management of DE

🕒 **09:30-09:50** 👤 Dr. Omar Kirmani

🗣️ Pelvic MRI in diagnosis of DE and pelvic endometriosis

🕒 **09:50-10:10** 👤 Dr. Amal Badi

🗣️ Soft markers in ultrasound diagnosis of endometriosis

🕒 **10:10-10:40** 👤 Dr. Silvia Vannuccini

🗣️ TVU imaging in diagnosing phenotypes of Adenomyosis

🕒 **10:40-11:00**

Q&A Coffee break

SESSION 7

Fertility and endometriosis

MODERATORS

Dr. Kinda Al Ani

Prof. Larissa Sutura

- 🕒 **11:00-11:30** 🗣️ Prof. Juan Velasco
- 🗣️ Key note lecture - Management of infertility with patients with endometrioma

- 🕒 **11:30-11:50** 🗣️ Dr. Dimitrios Kafetzis
- 🗣️ Basic investigations for infertility patients with endometriosis

- 🕒 **11:50-12:10** 🗣️ Dr. Kinda Al Ani
- 🗣️ How to improve fertility potentials with patients with endometriosis

- 🕒 **12:10-12:40** 🗣️ Prof. Pietro Santulli
- 🗣️ Key note lecture "Fertility preservation in cases of endometriosis-rational, how and for whom"

🕒 **12:40-12:50**

🗣️ Q&A

🕒 **12:50 - 13:45**

Prayer and Lunch break

SESSION 8

Uterine disorders

MODERATORS

Prof. Alexander Popov

Dr. Amal Al Mulla

 **13:45 - 14:30**  Dr. Svetlana Dubrovina

 Endometriosis management: latest evidence

 **14:30 - 15:00**  Prof. Larissa Suturina

 Key note lecture "Markers of oxidative stress and prognosis of chronic endometritis in premenopausal women"

 **15:00 - 15:30**  Prof. Louay Zayed

 Key note lecture - Anemia- Pathophysiology and optimal management

 **15:30**

 Q&A Coffee break

SESSION 9

Minimally invasive surgery updates

MODERATORS

Dr. Alphy Puthiyidom

Prof. Moamar Al. Jefout

🕒 **15:30-16:00** 👤 Prof. Alexander Popov

🗨️ Key note lecture "Robotic surgery vs conventional laparoscopy- what and why!?"

🕒 **16:00-16:20** 👤 Dr. Polstyanoy Aleksey

🗨️ Outcomes of minimally invasive surgery of endometriosis with extragenital lesions
Prof. V. Tskhay "Co author"

🕒 **16:20 - 16:40** 👤 Prof. Afaf Ismail

🗨️ Endoscopic Intervention for management of endometriosis associated With Mullerian developmental Anomalies

🕒 **16:40 - 16:50**

🗨️ Q&A Coffee break

SESSION 10

Endometriosis & Pelvic pain in focus

MODERATORS

Prof. Taner Usta

Dr. Wael Sammur

 **16:50 - 17:20**  Prof. Engin Oral

 Key note lecture "Pain medications-
how they work and what does really help

 **17:20 - 17:40**  Dr. Wael Sammur

 Medical management of endometriosis

 **17:40 - 18:00**

 Dr. Sathyadevi Pandikrishnan

 Physiotherapy for pelvic pain

 **18:00 - 18:20**

 Q&A

Wrap up of 2nd day

WORKSHOP 3

🕒 18:00-20:00

virtual

IMAGING IN THE DIAGNOSIS OF ADENOMYOSIS

MODERATORS

Dr. Amal Badi

Dr. Ghassan Lotfi

🕒 **18:00-18:30** 👤 Dr. Amal Badi

🗨️ Basics in diagnosing endometriosis with TVUS

🕒 **18:30-19:00** 👤 Dr. Silvia Vannuccini

🗨️ Pelvic Ultrasound in classifying Adenomyosis

🕒 **19:00-19:30** 👤 Dr. Samar Maadawi

🗨️ TVUS/TRUS of posterior adenomyosis and DE

🕒 **19:30-20:00** 👤 Dr. Omar Kimrani

🗨️ Pelvic MRI interpretation in DE patients

🕒 **20:00-20:30**

🗨️ Q&A Open discussion

SATURDAY
JANUARY 22, 2022

virtual

WORKSHOP 4

🕒 12:00-14:00

PELVIC PAIN

Understand and treat your patient properly

MODERATORS

Prof. Moamar Al Jefout

Prof. Louay Zayed

🕒 **12:00-12:30**

👤 Dr. Mira Mousa

🗨️ Different types of pain mechanisms and their heterogenous phenotypes

🕒 **12:30-13:00**

👤 Prof. Ahmet Kale

🗨️ Etiology of pelvic pain other than endometriosis- diagnosis and management

🕒 **13:00-13:30**

👤 Prof. Moamar Al Jefout

🗨️ Primary and secondary dysmenorrhea- rules of medical management

🕒 **13:30-14:00**

👤 Prof. Taner Usta

🗨️ Exploring Pelvic Pain: Deep to Ischial Spine including Sacral nerve roots

🕒 **14:00-14:30**

🗨️ Q&A Open discussion
